
Revelation
The Unveiling of Jesus Christ

REVELATION 7:1-3

After these things I saw four angels standing at the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, on the sea, or on any trees. Then I saw another angel ascending from the east, having the seal of the living God. And he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, saying, “Do not harm the earth, the sea, or the trees.”

FIRST VISION JOHN SAW...

Four angels - standing at the four corners of the earth. “strategically placed”

Holding the four winds - given power to pour out or withhold the winds. In biblical typology, the word “wind” is often an indication of judgement.

JOHN SEES ANOTHER ANGEL

Ascending from the east - “comfort & hope” light breaking through darkness.

Seal of the living God - seal symbolizes “protection & ownership.”

Higher ranking angel - “authority” over the four angels.

“Do not harm the earth, the sea, or the trees
till we have sealed the servants of our
God on their foreheads.”
